

## SAVE ASIAN SOULS

Save Asian Souls is a work of the Red Boiling Springs church of Christ, Red Boiling Springs, TN. SAS is working to save the lives and souls of young innocent girls from sex slavery. There are about 39 million sex slaves around the world. There is more slavery in the world today than they have ever existed in the history of mankind. There are many slave markets around the world. Young girls are sold into sex slavery every day.

SAS is working to save these girls in Asia. Our works (safe houses) are located in Nepal (16), Thailand (1), Laos (5) and the Philippines (1). We care for about 288 girls in these safe houses. We provide everything they need to have a successful life when they leave our safe houses. We take in girls between 12 and 20. The recruiters are not interested in girls over 20 years of age. The slave markets only want the younger girls and they bring a higher price when sold. See the attached list of safe houses in Asia with the number of girls in each location.

If the girls are still of school age, we keep them in school. If the girls are over 16 years of age we teach them a vocation (see attached photos). All girls study the Bible daily and worship each Sunday with the local congregations of the Lord's church. Eighty percent of the girls are converted and baptized into Christ during the period of time at our safe houses. The girls who learn a vocation are assisted in establishing a business which will support themselves after they leave our safe houses. The vocational school takes two years to graduate.

Each safe house has a minister of the church of Christ who teaches the Bible. Our ministers are trained at the church of Christ school of preaching in Narayangarh, Nepal. (Himalayan Bible Institute)

Each safe house has vegetable gardens, bee hives and rice paddies for a portion of their food supply. Bibles and other necessities are provided by sponsors of each girl. In 2021 we propose to add 200 more girls in our safe houses of Asia. We will need a sponsor for each girl.

In addition to the safe houses, SAS provides food for approximately 3,000 Christians who are without work because of the COVID 19 virus. We have no idea when the end of the virus will relieve us of supplying the food for the Christians of Asia.

We would be pleased to provide additional information if you desire. Our goal is to save lives and souls of young innocent girls of Asia. The glory, honor and praise for our success belongs to God. Please keep us in your prayers and join God's team today.
